

## EUROBAT STATEMENT

### To Whom It May Concern:

**CSB Battery** states that battery series **GPL** [General Purpose Long Life Battery] are Valve Regulated Lead Acid (VRLA) - AGM batteries designed and manufactured in compliance with **EUROBAT**, therefore,

The design life of **GPL** batteries is classified as,

GPL (7.2 ~ 26Ah): **6 ~ 9 Year – General Purpose** @ 20°C in stand-by application;

GPL (40A ~ 100Ah): **10/12 Year – Long Life** @ 20°C in stand-by application.
