

EUROBAT STATEMENT

To Whom It May Concern:

CSB Battery states that battery series **HRL** [High Rate Long Life Battery] are Valve Regulated Lead Acid (VRLA) - AGM batteries designed and manufactured in compliance with **EUROBAT**, therefore,

The design life of **HRL** batteries is classified as,

HRL (10W ~ 80W): **6 ~ 9 Year – General Purpose** @ 20°C in stand-by application;

HRL (110W ~ 540W): **10/12 Year – Long Life** @ 20°C in stand-by application.
